

We are hiring **Tractor and Trailer Technicians (Mechanics)** in our Maintenance Department at our corporate facility in Rockwall, TX. Our ideal candidate would be self-motivated, have a positive attitude, be able to work well with others and possess excellent ability to achieve results.

Tractor Technician job duties include:

- Performing scheduled truck and APU basic preventative maintenance.
- Performing safety inspections.
- Installing wheel assemblies and tires.
- Completing other basic electrical, truck and APU repairs.

Trailer Technicians job duties include:

- Performing scheduled trailer basic preventative maintenance.
- Installing wheel assemblies and tires.
- Completing other basic electrical and trailer repairs.
- Diagnosing and performing repairs on basic trailer tracking system (RCOM).

Tractor & Trailer Technicians will be trained on:

- Identifying brake components.
- Operation of class 8 air brakes.
- Identifying irregular tire wear and underinflated tires.
- Basic electrical repairs.

These are full-time positions working Monday through Friday 10:00am- 7:00pm.
